My name is **CANOE!**

I am a beautiful orange tabby girl. I love to sit at my foster parents' side and purrrr! I adore dogs and like cats and rabbits. I am only 8 years young. To meet me, contact my Foster Mom Diane @ 301-520-3374 or email Diane.Stalder@gmail.com

My name is **SYRIA!**

I am a big, lovable brown tabby girl. I am a total cuddler, and only 11 years young. If you would like to meet me, contact my Foster Mom Diane @ 301-520-3374/email diane.stalder@gmail.com

My name is **OLIVIA!**

I am a beautiful tortie with white little girl, and I have come a long way since Aug 3rd, when I was rescued from my old abandoned home, starving and near death. My Foster Mom says that when she first met me, she could feel every bone in my skinny little body. But thanks to a lot of tender loving care from the angels at the Shelter and my wonderful Foster Mom, I am putting on weight, talking and doing a lot of snuggling these days. I am so happy & grateful to be around, kind, loving people. I also love to give my foster canine siblings head butts and kitty kisses!

I am 16 years young and would dearly love a warm lap and a sunny window sill to live out the rest of my days. If you could find room for me in your heart and home, please contact my Foster Mom at 301-253-8840/ ksalex1959@gmail.com

My name is **GEM.**

I am a stunningly beautiful, elegant 10 years-young Persian mix. I am very sweet and would love a warm lap to curl up in. I am not so fond of other cats, but I like dogs! I am already spayed, and I always use my litter box. If interested, contact foster Mom Kate @ kateluse@comcast.net / 301-620-4043.

My name is **ORLON**

I am a special cat looking for a special home. I am calm & affectionate and only 9 years young. I have chronic kidney failure which is a serious but treatable condition, and I have many years of love to give to my forever people—and feline or canine siblings. If you would like to meet me, contact Kate @ kateluse@comcast.net /301-620-4043.
